# Nikki Green

AUTHOR • SPEAKER • PODCAST HOST • CAREER COACH

## Helping Grads and Young Adults Reach Their True Potential

Nikki is on a mission to shape how the next generation of business leaders can remain unique and true to themselves and turn that uniqueness into an advantage.

### Key Messages

#### Finding Strength in Your Uniqueness

Nikki will help listeners leverage their story to prosper in today's rapidly changing work environment.

#### Question everything, find the Quiddity

Nikki's try-this technique will help listeners find the true nature of a problem, and learn something new to help solve today's challenges in the workplace.

#### Developing a Chameleon Mindset

Adapt to change and attract the outcomes you want for a life of fulfillment and happiness.

**“Be so completely yourself that everyone else feels safe to be themselves too.”**

### Testimonial

“Part of telling a great story is being able to create connection through vulnerability. Nikki uniquely weaves narratives in such an authentic way that you're brought directly into them, weaving not just emotion and feeling, but life application - it's impossible to walk away from one of her talks without an indelible impression left upon you.”

- Rob Campbell
